

wirtualny-sdk

A diagram showing the structure of the 'wirtualny-sdk'. It consists of a large light blue rectangle with a dashed border. Inside this rectangle, at the top, is the text 'wirtualny-sdk'. Below this text is a smaller, solid light blue rectangle with a thick black border. Inside this inner rectangle, the word 'modules' is on the left. To the right of 'modules' are two smaller, solid blue rectangles with black borders, labeled 'auth' and 'notifications' respectively, positioned side-by-side.

modules

auth
